19TH INTERNATIONAL DIGITAL CONFERENCE ON RENEWABLE MOBILITY

24 – 28 JANUARY 2022 | ONLINE

Dear Ladies and Gentlemen,

The International Conference „Fuels of the Future“ is the leading event of the European biofuels industry and at the same time an important discussion forum for the German, European and international development of renewable mobility. In January 2022, once again more than 600 international participants are expected, including representatives from the biofuels, petroleum and automotive industries, the chemical industry, the transport and logistics industry, the transport and logistics sector, certification systems, politics, science and research.

For this purpose, the conference offers you a compact programme with lectures on current industry developments, on the economic and legal framework conditions for renewable fuels, raw materials, technological developments and sales potential in international markets.

THE FOCUS IS ON THE FOLLOWING TOPICS:

- Prospects for established biofuels on the market
- Second and third generation renewable fuels
- Biomethane in the transport sector
- Biofuels in shipping, aviation and heavy freight
- Sustainability certification of biofuels in the context of globally expanding markets
- Power-to-X fuels, hydrogen from biomass and renewable energy energies and latest developments in market access
- Current developments in international biofuel trade
- Electromobility in the context of the hybridisation of drives with defossilised fuels
- Innovative sustainable mobility concepts in municipalities
- Biofuels and feedstocks in the context of agricultural trade and markets
- Climate protection potentials through the use of biofuels in agriculture and forestry

You are cordially invited to participate in the conference „Fuels of the Future 2022“ to find out more about the issues and to discuss these key topics with entrepreneurs, politicians and scientists.

Our conference aims to provide an overview of the various development the different development paths of alternative fuels and drive technologies and to technologies and to promote intensive contact and networking.

Artur Auernhammer, MdB
Chairman Chairman of the Board
of the German Bioenergy Association (BBE)

INCREASE YOUR REACH

Publicly effective and market your company/organisation as well as your services and products to specific target groups and products by exhibiting at the „Fuels of the Future 2022“ conference as a partner.

Over 75 moderators and speakers

More than 600 participants

More than 30 Media partners

15 thematic newsletters for the conference

19TH INTERNATIONAL DIGITAL CONFERENCE ON RENEWABLE MOBILITY

24 – 28 JANUARY 2022 | ONLINE

WE ARE EXPECTING OVER 600 PARTICIPANTS FROM THE FOLLOWING AREAS TO ATTEND THE CONFERENCE:

- | Biofuels
- | Agriculture
- | Recycling/waste industry
- | Mineral oil industry
- | Trade
- | Automotive
- | E-Mobility
- | Shipping
- | Aviation industry
- | Chemical industry
- | Science
- | Consulting firm
- | Certification company
- | Politics
- | Government/state employees
- | Embassies and consulates
- | Associations
- | Press

THE CONFERENCE OFFERS IT-INTERESTED COMPANIES AND ORGANISATIONS AN OUTSTANDING OPPORTUNITY FOR PRESENTATION AND COMMUNICATION:

Position your company/
your organisation at one of the largest
industry meetings for renewable
mobility in Europe.

Benefit from the strong media,
economic and political presence.

Expand your network through
high-class contacts.

Present your products and
services and win new orders.
